browser on all
devices

affordable

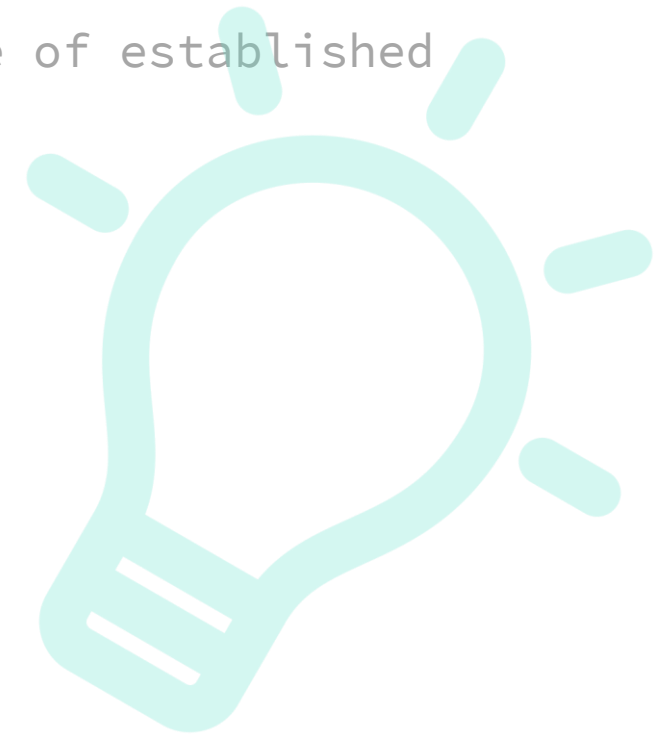

No «Lock-in»,
export data at any
time

Data protection &
permissions

What is logbuch.org not?

- **No file repository:** However, you can add links to supporting documents stored in your own file repository.
- **No online meeting tool:** For this, we recommend the use of established tools such as Microsoft Teams or Skype.

Pricing

Our goals

- **Sociocracy:** Giving something back to the sociocracy
- **Publicity:** New contacts for PAWI as an innovative company
- **Learning effect:** the development of such a tool brings many new insights
- **Turnover:** The aim is that the tool will eventually be able to cover its costs.

**Sociocracy, digitally
supported. This is logbuch.org**
